

CALIFORNIA EDUCATION CODE
SECTION 48204(b) and (c)

- (b) A school district may deem a pupil to have complied with the residency requirements for school attendance in the district if at least one parent or the legal guardian of the pupil is physically employed within the boundaries of that district.
- (1) This subdivision does not require the school district within which at least one parent or the legal guardian of a pupil is employed to admit the pupil to its schools. A school district shall not, however, refuse to admit a pupil under this subdivision on the basis, except as expressly provided in this subdivision, of race, ethnicity, sex, parental income, scholastic achievement, or any other arbitrary consideration.
 - (2) The school district in which the residency of either the parents or the legal guardian of the pupil is established, or the school district to which the pupil is to be transferred under this subdivision, may prohibit the transfer of the pupil under this subdivision if the governing board of the district determines that the transfer would negatively impact the court-ordered or voluntary desegregation plan of the district.
 - (3) The school district to which the pupil is to be transferred under this subdivision may prohibit the transfer of the pupil if the district determines that the additional cost of educating the pupil would exceed the amount of additional state aid received as a result of the transfer.
 - (4) The governing board of a school district that prohibits the transfer of a pupil pursuant to paragraph (1), (2), or (3) is encouraged to identify, and communicate in writing to the parents or the legal guardian of the pupil, the specific reasons for that determination and is encouraged to ensure that the determination, and the specific reasons therefor, are accurately recorded in the minutes of the board meeting in which the determination was made.
 - (5) The average daily attendance for pupils admitted pursuant to this subdivision is calculated pursuant to Section 46607.
 - (6) Unless approved by the sending school district, this subdivision does not authorize a net transfer of pupils out of a school district, calculated as the difference between the number of pupils exiting the district and the number of pupils entering the district, in a fiscal year in excess of the following amounts:
 - (A) For a school district with an average daily attendance for that fiscal year of less than 501, 5 percent of the average daily attendance of the district.
 - (B) For a school district with an average daily attendance for that fiscal year of 501 or more, but less than 2,501, 3 percent of the average daily attendance of the district or 25 pupils, whichever amount is greater.
 - (C) For a school district with an average daily attendance of 2,501 or more, 1 percent of the average daily attendance of the district or 75 pupils, whichever amount is greater.
 - (7) Once a pupil is deemed to have complied with the residency requirements for school attendance pursuant to this subdivision and is enrolled in a school in a school district the boundaries of which include the location where at least one parent or the legal guardian of a pupil is physically employed, the pupil does not have to reapply in the next school year to attend a school within that district and the district governing board shall allow the pupil to attend school through grade 12 in that district if the parent or legal guardian so chooses and if at least one parent or the legal guardian of the pupil continues to be physically employed by an employer situated within the attendance boundaries of the district, subject to paragraphs (1) to (6), inclusive.
- (c) This section shall become inoperative on July 1, 2012, and as of January 1, 2013, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2013, deletes or extends the dates on which it becomes inoperative and is repealed.
