The Schools Legal Service Board of Directors ("Board") welcomes comments from the public at appropriate times during the meeting. The public may address the Board concerning items on the agenda as those items are taken up prior to discussion and deliberation by the Board. The public may also address the Board on items not on the agenda but within the jurisdiction of the Board, at the time designated. To conduct Board business in an orderly and efficient manner and allocate available time, each speaker must fill out a speaker card at the beginning of the meeting stating the speaker's name and the subject to be addressed.

Please wait to be recognized by the meeting Chair. Comments should be addressed to the Board as a whole and not to individual board members or staff. Unless otherwise determined by the Board, each person is limited to 3 minutes per item. If multiple speakers wish to speak on a specific item, the total time allotted will be 20 minutes. Speakers should be aware that they remain legally liable for statements made at a board meeting. Public testimony is not immune or protected from claims for damages for libel or slander.

Notice of Teleconferencing: Government Code Section 54953 permits the Board to conduct its meeting from different locations via teleconference provided that at least a quorum of the Board participates from locations within agency boundaries. This meeting may be conducted using teleconferencing at the following location(s), which shall be accessible to the public - 231 Kingsley Street, Bridgeport, California, and 3500 Douglas Avenue, Mojave, California. Members of the public shall be afforded the opportunity to address the Board as permitted under Government Code Section 54954.3 at each teleconference location.
