

**COUNTY-BY-COUNTY LIST OF CONSTRUCTION TRADE JOURNALS  
WHICH SHALL RECEIVE WRITTEN NOTICE OF ALL INFORMAL  
AND FORMAL CONSTRUCTION CONTRACTS BEING BID FOR WORK  
(PER SECTION 22036 OF THE PUBLIC CONTRACT CODE)**

The Commission has determined that all public agencies that adopt and contract under the Uniform Public Construction Cost Accounting Act shall be required to mail, e-mail or fax a notice to the following specified construction trade publications, of all informal and formal construction contracts being bid within the specified county (as provided in Sections 22034 and 22037 of the Public Contract Code). The numbers following the name of each county refer to the corresponding numbered publications on the List of Construction Trade Journals beginning on page 10.

Users will note that the notification of the trade journals listed in Column B is required. The user will have to notify at least two (2) of the trade journals listed in Column C, unless there is only one (1), in which case notification of the one trade journal is mandatory. The list of construction trade journals beginning on page 10 is more extensive. The Commission urges each public agency to select additional publications from its geographical area and include them on its list of publications to be notified. Sample information to be included in the mailed notice to trade journals is listed on page 9.

**Note:** You are not required to mail a notice to a trade journal if the trade journal listed under your county is now charging for its services, or is out of business. Instead, the Commission requests that you find some other method of notifying potential contractors of published jobs and how to be added to your informal bidding lists (e.g. Internet – County’s web page.)
